Elite Champion Ivy holds titles in both NACSW and AKC for her nose work accomplishments. An experienced duck hunter, Ivy has earned her JH and is training for SH. She's a bit of an overachiever. We are honored that Ivy is returning under lease for a breeding.

Ivy's owner/handler, Nancy LaBarbera is a nose work instructor with over a decade of experience training and competing. She sits on the board at the Inland Valley Retriever Club, handles her own dogs, and is a member of Search Dog Resources. Ivy's SAR training was done under Coby Webb. In Nancy's words, "Ivy is a joy to work with. She's so biddable and serious when competing, yet she has the perfect off switch when she is home. Ivy is a dream with children and gets along well with other dogs."

Naco is a highly accomplished Master Hunter and is included in the GRCA Hunting Test Hall of Fame. Currently, he holds 56 Master Hunter passes. Naco also excels at real-life hunting and family dog skills.

Naco was ranked 1st in Retriever Results out of all retrieving breeds, with the most Master Hunter passes for 2023. Naco's mother, Sioux, ranked 3rd. Quite the family accomplishment. His mother Souix just passed her 75th Master Hunter at 9.5 years old.
